

TIPS FOR
SUCCESSFULLY
FINANCING YOUR
PROCEDURE
WITH
**HEALTHONE
FINANCIAL**

Check your credit score –

*If you don't already know your credit history/score you may go to **FreeCreditReport.com** or from the **Health One website click on apply now, then “check your credit score”**. Simply follow the prompts. This report is “free” if you just want your credit history, no score. If you want your credit score, it will cost you \$24.95. While this does sign you up for a “Triple Advantage Credit Monitoring Service” – just **call 888-829-6560 to cancel immediately**.*

Credit Requirements–

- You must have a credit score of at least 640
- You must be at least 18 years of age
- You must not have filed for bankruptcy in the last 5 years
- You must not have been sent to collections in the last 3 years
- You must have an income of at least \$1,500 per month

Don't meet this criteria?

If you do not meet these minimum credit standards, you may choose to utilize a co-applicant. It is important to **list the individual with the strongest credit standing first on the application, regardless of who the applicant is.**

Call 888.748.3621 and apply now.

Select the appropriate prompts, which will connect you to the application support center. The co-applicant will need to be on the phone with you. **Make sure you have your PROVIDER ID # _____.**
