

Our office is proud to partner with **Health One Financial** to offer an easy, affordable way to pay for your medical procedure.

Health One is the most innovative patient financing company in the elective surgery market. We offer a variety of financing options with flexible rates and terms for all credit types:

- Financing from \$1,000 to \$25,000
- 6 Months Interest Free Financing
- 1% Cash Back on Purchases
- Health Savings Account Option
- Standard Lines of Credit

Health One works with each of our patients to provide a financing program that is right for **YOU**. At **Health One**, we customize our application process to ensure that you receive the necessary financing required for your procedure. With **Health One** you control the financing process, and you make the decision that is best for you.

READY? SET? GO!

- 1) Know your credit score..FreeCreditReport.com
