

February 2008

Karen, Michelle and Peggy (l to r) enjoying the Seattle Bandster Bash. We would love to see you there, enjoying all the opportunities for learning, motivation, and networking with patients who have had or are considering Lap-Band Surgery. If you would like more information about this three day event held in Seattle February 15th—17th, please go to <http://barbooch2.homestead.com>

February Support Groups:

Due to the Bandster Bash being held February 15th-17th, we will be postponing all of the Olympia and Bremerton support groups until March. We look forward to getting new information and motivation at the Bash to share with you all in March. There will still be a support group in Belfair this month.

All Support Group dates and times can be found on our website at:
